South Carolina: The Beach Club at Charleston Harbor Resort & Marina, Mt. Pleasant

\$\$ | 🏠 RCA 2018

You'd be hard-pressed to find a more elegant and well-equipped place to stay by the water than at the 92-room **Beach Club**, which opened in October 2016. Directly across the harbor from downtown Charleston on Patriots Point in historic Mount Pleasant, the resort is just a free, fifteen-minute trolley shuttle and seasonal water taxi ride from this Southern foodie haven. Modern meals are served in the Fish House, occupying the same building as the creatively-curated Marina Store, which sells everything from scented soaps to tomes on local history.
